

Corporate Packages for Rees Leisure Ltd Events

As one of our new corporate teams we would be able to offer you the opportunity to get involved early in our upcoming events. We have created 4 tiers of packages available to you to help with discounted spaces and also options for increasing awareness of your company and specific projects you may wish to highlight.

We can help maximise your exposure through PR and take advantage of over 25 social media channels with 100+ messages sent out per week to more than 30,000 followers. Over £250,000 raised in 2 years for charities involved in the ABP Southampton Half Marathon & 10k!
